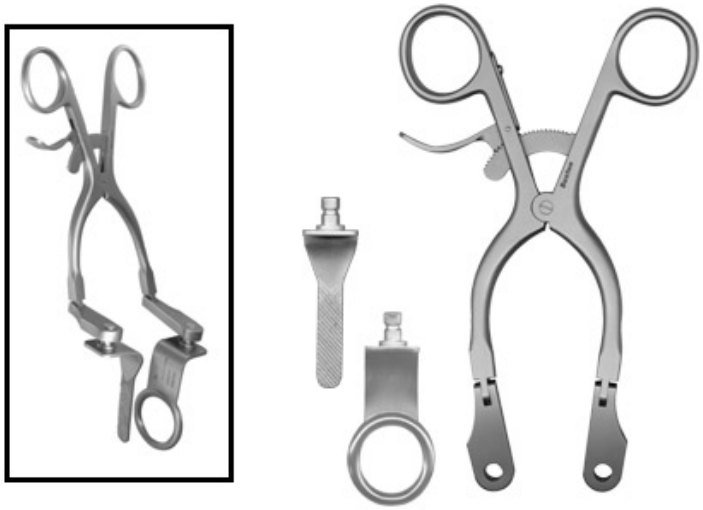
## Subacromion Distractor Set



- Features our smallest frame, the Mini Open Shoulder retractor
- Includes a "Berliner" ring blade and a "Frankfurter" lever blade
- Unique blades open up the subacromial space
- Switchable blades make this distractor useful for both left and right shoulders
- Swap the blades out for regular "Narrow" blades and your distractor becomes a retractor!

Buxton Subacromion Distractor Set, with 2 blades
