

## 24-5912

### Richardson Retractor, 52x22 mm

- 52x22 mm, lily-shaped blade
- Component of Deluxe and Standard Shoulder Sets, 24-8001 and 24-6001

Cold-rolled stainless steel has been used to form a very lightweight, hollow, hand-held retractor 24 cm long. The blade measuring 22 mm wide and 52 mm long features a rolled back lip to help secure deep soft tissues.
