

## 24-6279

### 3rd Arm Upgrade Kit: Bux Frame

- Upgrade your existing Buxton retractor. No need to buy a new frame!
- Special "slide" has a wingnut that attaches middle blades.
- Upgrade includes "slide," plus three middle blades!
- "Slide" fits on to the cross bar and may be removed at any time.
- Not a permanent conversion. No need to send the frame in.
