Agreement:

Please read and initial

1. We agree to return the borrowed items within one business day following the scheduled surgery.

The items will be checked against the included rental checklist to ensure all items are returned.

2. In the event of a cancelled or rescheduled surgery, we agree to contact Buxton for permission should a further extension of loan if necessary. Otherwise, we agree to return the rented item(s) immediately upon the cancellation of surgery.

3. We understand that a rental charge of the above rate plus shipping and handling will apply and, unless we receive an extension from Buxton, the consignment will be shipped back no later than our agreed date.

4. We accept that **a full day's rental rate will be charged for each day the consignment is held beyond the return date** indicated above, unless written permission from Buxton BioMedical, Inc. is granted.

5. We will clean and sterilize instruments following surgery. We will complete and sign the Cleaning Certification prior to returning instruments. If the cleaning and sterilizing is incomplete, we accept the additional cleaning charge of \$500.
