

24-4200

Interchangeable Chisel System

- Blades are reusable, but easily replaceable.

This chisel set includes a fully autoclavable linen phenolic handle, a solid steel striking surface and assorted interchangeable chisel blades, with key. Our chisel system includes 4 chisel blades in 5 mm, 10 mm, 15 mm and 25 mm widths. Use with our 24-5919 weighted mallet or 74-1070 for softer blows.
